

MAKE YOUR OWN DUCK PUPPET!

SUPPLIES NEEDED:

a paper bag
lots of colorful feathers
orange paper
a pen or Sharpie
a glue stick
an adult with scissors

1. With an adult, use the scissors to cut two feet and one beak out of the orange paper

2. Glue the feet and beak onto the paper bag
3. Draw a circle belly on the bag with the sharpie and glue as many feathers as you want onto the circle. Don't forget to give your duck wings!

4. The last step is to draw your duck's eyes!
What kind of eyes are you going to give your duck?
